Re: League of Women Voters of Manatee County Letter of Support

Dear Ms. Baker,

At its January Board Meeting the League of Women Voters of Manatee County unanimously voted to submit a letter of support for the Gulf Coast Restoration Initiative, "All Clams on Deck." The League has long supported the restoration and protection of our water quality and we share and support your initiative's goal to maintain and improve the Gulf Coast water quality, and its ecosystem sustainability, and resilience.

We would be pleased to have you add the logo of the League of Women Voters of Manatee County to your supporters' page on the "All Clams on Deck" website.

Sincerely,

N. Alice Newlon
